## **COMMUNITY GARDEN**

**Do you like to garden but don't have the space? Are your gardening years over but you are interested in helping new gardeners get started?**

**The Woodlea Community Association is exploring the concept of establishing a community garden.**

**We are still in the very early stages - no location has been determined - and would like to gauge the interest level in the community.**

**If you would be interested in having a community garden in our neighbourhood or want more information, contact Jane Proudlove at [jane358@telus.net](mailto:jane358@telus.net) or 403-340-0624.**

**In your message please say whether you are interested in helping to build raised boxes to get the garden started, would like to have some garden space to use or if you would be willing to act as a mentor to new gardeners in the area. General comments about the idea of a community garden in Woodlea are also welcome!**

**You can also speak to us at the Community Social on June 2**

## **ASSOCIATION UPDATE**

**Our association was established last October with the purpose of enhancing the sense of community in Woodlea and addressing issues of interest to our members.**

**Currently, we have about forty individual and household members, and our Board comprises Peter Slade (Vice-Chair and Acting Chair), Sheila Bannerman (Secretary), Laura Turner (Treasurer), and Directors Doug Anderson, Bruce Buckley, Trish Campbell, and Jane Proudlove.**

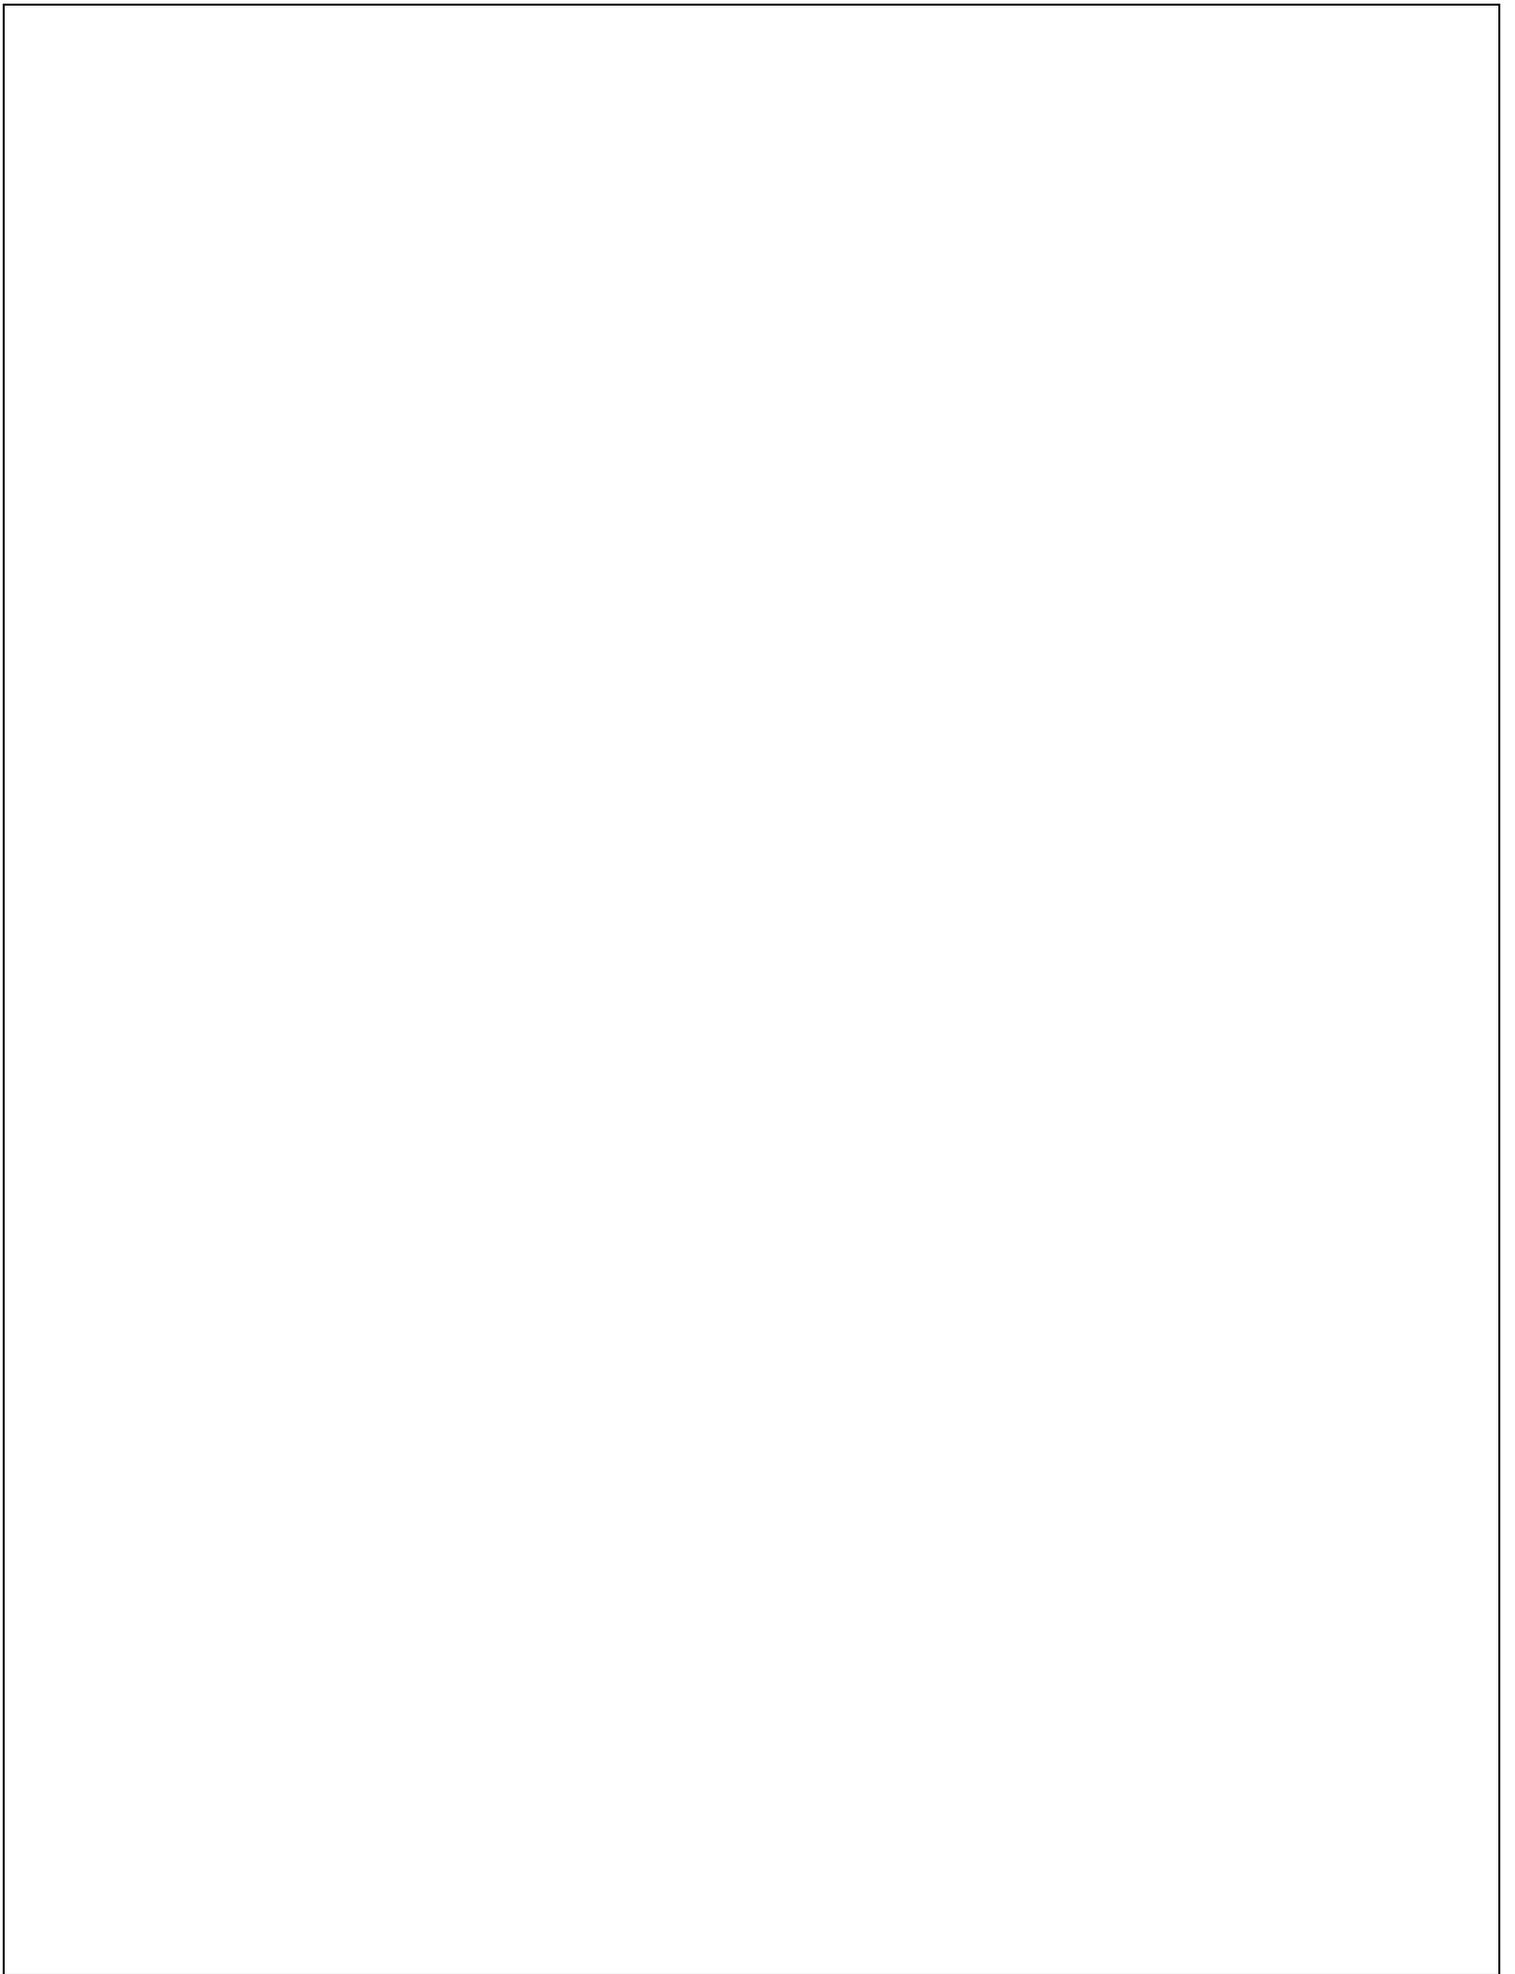

**Since we were established in the fall, the Board has been doing much of the routine work of setting up a new association, and also applying for grant money, developing a web site, attending the community association forums run by the City, and participating in a meeting on community gardens hosted by the Westpark Community Association.**

**Three working committees have begun meeting:**

- **Social Committee**
- **Development Committee**
- **Safety and Crime Prevention Committee**

**We are planning on hosting three social events per year in spring, fall and winter, and to add to these as time and member energy allows.**

**Best wishes for a happy and healthy summer!**
